## SERVICES AND PROGRAMS OF HCG

HCG is a different kind of service organization. It supports itself with fee for service offerings which, in turn, support community-benefiting, public-spirited programs.

HCG pools the buying power of small towns, schools, businesses, and non-profits.

HCG allows you to reduce your expenses and support local communities at the same time.

HCG represents a new model of how people come together and collaborate to co-create the community they want to live in.

### **ELECTRICITY SERVICES:**

**Hampshire Power:** Hampshire Power is a different kind of electricity supplier. The only non-profit energy supplier in Massachusetts, the company is driven by a social, not profit, motive.

Hampshire Power makes it easy for towns, cities, schools, businesses and non-profits can lock in their electricity price in a very volatile market.

They can take advantage of green options, and can see their energy expenses reinvested in the local community. Hampshire Power is the community minded electricity supplier.

**Net Metering Credits:** Hampshire Power makes it easy for you to use sustainable sources of energy like solar, wind and biogas, no matter where you live. Through our net metering program, consumers easily receive the cost benefits of local renewable energy projects. Towns, cities, schools, businesses and non-profits can lock 15% discount on net metering credits and support local renewable energy projects.

**Solar Renewable Energy Credit (SREC) Aggregation:** HCG makes it easy for you to manage SRECs in a very volatile market. Our SREC team brokers the sale of over \$3 million SRECs on behalf of solar homeowners, towns, schools, businesses and non-profits in Massachusetts. HCG's broker fee is directly invested back into local sustainability efforts and renewable energy projects.

**ISO New England Lead Market Participant Services:** HCG is currently serving as Lead Market Participant to a local solar development so that it is able to receive payments through ISO's Forward Capacity Market. As a Lead Market Participant, HCG is responsible for coordinating data

submissions to ISO and managing the access that project partners receive to ISO's systems and databases.

## **MUNICIPAL SERVICES:**

**HCG Purchasing Co-Op:** The HCG Purchasing Co-Op administers the bidding process for a wide variety of products and services for schools, municipalities, non-profits and public entities throughout the Western MA region and beyond. By aggregating buying power and achieving economies of scale, we can save our participants money, time, and effort with our fully vetted contracts for quality products and services. During FY2016, the Hampshire Purchasing Co-Op secured nearly \$9.6 million dollars in goods and services in the following categories:

- **Office Supplies and Services:** General Office Supplies, Printing & Copying Services, Copier Machine Supplies, Printer and Fax Toner Supplies
- **School Supplies and Services:** Arts & Crafts and General School & Classroom Supplies, Milk, Bread, Ice Cream, and Food & Cafeteria Products
- **Highway and Public Works Supplies and Services:** Hot Mix Asphalt, Cold Patch, Culvert Pipe, Fire Extinguisher Services, Reclamation, Peastone/Traprock/Gravel, Road Crack Sealing, Snow Plow and Grader Blades, Guard Rail Installation, Stone Seal, Street Sweeping, Line Painting, Water Treatment Chemicals, Liquid Asphalt, Winter Salt and Ice Control Products, Milling, Catch Basin Cleaning, Hot In-Place Asphalt Recycling, Microsurfacing, Bonded Wearing Course
- **Fuels:** Diesel, Gasoline, #2 Heating Fuel Oil
- **Medical Supplies:** Cooperative Bid with the Central Massachusetts Planning Agency for Emergency Medical Supplies
- **Hazardous Waste:** Collaborative Bid with the Massachusetts Higher Education Collaborative for Collection, Transport and Disposal of Hazardous Waste

**Hampshire I.T.:** This program has been designed specifically to offer western Massachusetts the best Information Technology services, with highly competitive rates and features such as unlimited roll-over time and regional discounts on hardware and software. One of Hampshire I.T.'s key features is a FREE network assessment. This important benefit evaluates existing I.T. infrastructure and provides an overall blueprint of current I.T. status; with a comprehensive list of findings and observations, items identified as high priority, along with longer-term project recommendations.

### **Hampshire Web:**

The Hampshire Web program is designed to help smaller towns get better websites at affordable prices. Town websites have gone from

luxury to necessity, and by utilizing the Hampshire Web program, towns can present a sophisticated, functional website. Towns can better serve their residents and the general public online, with features such as town news, online payment, events calendar, town meeting minutes, emergency notification, citizen forums...and more!

**Regional Accounting Program:** We provide accounting, bookkeeping and payroll services to towns and non-profits at regionally discounted rates.

**Grant Writing and Administration:** We write and administer grants on behalf of communities throughout western Massachusetts.

**HAMPSHIRE COUNTY GROUP INSURANCE TRUST:** As Trustees of one of the best health insurance programs in the Commonwealth, we provide the highest possible level of health insurance benefits at the lowest consistent price to over 11,000 people. The Trust has successfully kept rates below state and national averages for seven years running and values prevention, wellness, and early detection. The Trust will save its 70 member units over \$7.3 million in health premiums over FY 2017 when compared to the Commonwealth's Group Insurance Commission Benchmark plans.

## **COMMUNITY SERVICES:**

**RSVP of Pioneer Valley:** RSVP is a program of HCG. RSVP is the volunteer center for people 55 and over in our community. Since 1973, RSVP has worked with volunteers and organizations to meet the community's most pressing needs. Each year RSVP volunteers contribute more than 100,000 service hours to organizations in Hampden, Hampshire and Franklin Counties, representing a donation of over \$3 million to our local economy. More than 50 local non-profits rely on RSVP to meet their bottom line.

**Tobacco Free Community Partnership for Hampshire and Franklin Counties:** The Hampshire-Franklin Tobacco-Free Community Partnership supports communities' efforts to lower smoking prevalence and exposure to secondhand smoke; enhances state and local tobacco control efforts by exposing tobacco industry tactics; mobilizes the community to support and adopt evidence-based policies; and changes social norms. Funded by the Massachusetts Tobacco Cessation and Prevention Program, Community Partnerships serve as a resource for local coalitions, health and human service agencies, municipalities, and workplaces on tobacco intervention efforts.

**Hampshire County Tourism Commission:** We represent the broad interests of our communities and support the county's tourism industry.

**Legislative Agenda:** We serve as a legislative liaison for our member communities.

**Hampshire County Select Boards Association:** We support the HCSBA and support their efforts to increase regional cooperation and problem solving.

**Annual Wage & Salary Survey:** We provide a free annual survey that gives local officials accurate information about comparable employee costs in the region.

**Awesome Foundation:** We have joined with Northampton Community Television, the Downtown Northampton Association, Thornes Marketplace, A2Z Science & Learning Store, the Northampton Brewery, Northampton Center for the Arts, the Chamber of Commerce, Sylvester's Restaurant, Roberto's and the Northampton Radio Group to invest in creative, Awesome ideas in downtown Northampton.

**Hampshire Hills Emergency Communication Equipment:** We own and maintain critical emergency communication equipment that serves to protect the health and safety of our member towns.

**Property Tax Abatement Hearing Board:** If a person is pained by the refusal of local assessors to abate a tax on either real estate or personal property in Hampshire County, they may appeal to HCG. The proceedings are in accordance with the provisions of Chapter 59, Section 64, of the Massachusetts General Laws.
